

Gina Janke Treasurer

Section: Wisconsin

I am seeking another term as Region H Treasurer. As treasurer, I would continue acting as the guardian for Region H funds and facilitator to Region H through the planning of fund dissolution as directed by the region team and Society contacts. I hope to continue to making the process transparent to the region members and encourage feedback as this journey continues.

I am a long-time member of SWE and a current member of the Wisconsin Section. I have served in several different officer positions, FY16-17 Region H Treasurer, 12 years as the Wisconsin Section Treasurer, and is currently Wisconsin Section Scholarship Chair. Before moving to Wisconsin, I also served leadership roles at Sacramento Valley Section, and was a member of Los Angeles area Professional and Collegiate Sections.

I received my degree in Mechanical Engineering from Harvey Mudd College, Claremont, California. I have worked at Modine Manufacturing Engineering for 20 years in the areas of manufacturing engineering, project management, quality engineering, and industrial engineering. I am currently working as the Principal Industrial Engineer in the Engineering Systems and Service Department in Racine, Wisconsin.

I live in Racine, Wisconsin with my husband and two teen-aged children. As a family, we enjoy cross-country skiing in the winter and sailing Lake Michigan in the summer.
